Part II of III
Disability Compensation is a tax-free benefit paid to a veteran for a service-connected disability that hap-
pened as a result of active duty for training or active duty training or injury from VA health-care. Cash income payments for Compensation range from a low of about $130 a month to a high of about $3,662 a month. Special benefits like grants for new homes, clothing allowances, and so on are payable for severe service-connected disabilities. A veteran cannot receive Pension and Compensation at the same time.

An aid and attendance or housebound assistance allowance in the form of Special Monthly Compensation (SMC) is available to the veteran who is 100% disabled. A veteran rated for 100% disability will receive a check for about $2,816 a month in 2013 and if that veteran has a spouse the amount is $2,974 a month. A 100% disabled veteran meeting the SMC Schedule (I) aid and attendance criteria can receive $3,505 a month and if that veteran has a spouse, the amount can be $3,934 a month. Both payments are amounts if the aid and attendance involves certain severe disabilities. Additional disabilities also add $100 per month per disability to SMC.

This aid and attendance allowance is not an automatic benefit and most veterans don’t even know about this special assistance and never apply for it. If the veteran receiving Compensation is 100% disabled, the need for aid and attendance might possibly allow for that increase in rating and the additional assistance for aid and attendance on top of that. Most veterans receiv-
ing Compensation don’t have a clue as to their eligibil-
ity for this special benefit.

Also, an aid and attendance assistance allowance is available due to the need for services to a disabled spouse of a veteran where the veteran is 30% or more disabled. The amount goes up as the disability rat-
ing goes up. For example, a 30% disabled veteran can generate a $343 a month benefit as a result of his/her dis-
abled spouse. A 100% disabled veteran can gener-
ate $1,413 a month. Again, it is not common knowledge these additional allowances are available and VA does not normally notify people of their existence.

For a particular note of Disability Compensation are Agent Orange claims for each and every veteran who was stationed in Vietnam and who has developed presumptive health conditions such as certain forms of cancer, type II diabetes, ischemic heart disease (lack of proper blood flow to the heart) and Parkinson’s disease. Veterans with service-connected hearing loss can also make claims and receive free hearing aids. This hearing disability rating will also get them into the health care system. Many veterans don’t know of the existence of Agent Orange claims or the fact that they might be eligible for service-connected disability for hearing loss. Approximately 3,626,500 beneficiaries will receive Compensation in 2013 and of those ap-
proximately 1,060 are age 65 and older. Of all be-
neficiaries, approximately 320,000 are 100% disabled.

If you would like more information about any of these programs or would like help in applying, please feel free to contact George Young at 206-919-9714 or mcraves-hollands@ mrcwa.org.

The three other parades scheduled in June are:

- The Fathoms of Fun Parade on June 29th.
- The Dairy Days Parade in Burlington on June 15th.
- The Oriental Band Pixie Parade on June 22nd.

Details will be provided the week prior to each parade by Nile E-Grams to the heads of all Units and Clubs. They, in turn, must inform their membership.

Let’s have a great turnout for the June and July parades. Remember, we are all about the Shriners Hospitals for Children and make ourselves visible in the eyes of the public.

Legion of Honor
Legion Of Honor is planning to attend all the Pote Call parades and the Nile Family Picnic 21 July.

Our next meeting will be Friday, September 6th in the LOH room at 1100 for zem zem and stories of past glories of the Drill Team. The next Stated Meeting will be at LOH room on Wednesday, September 11th with zem zem at 1600, meeting at 1700, Nile Dinner 1800 and Nile Stated Meeting 1900. Warm summer in South East Asia and beautiful spring flower is here. It’s our busy parade season beginning with La Conner. Before the form-up, we hosted a great picnic at Shelter Bay for several units. Because of the gloomy and rainy weather, we were wearing ponchos but we still played our best. The next parade was at Oak Harbor. Sunshine and a warm summer in South East Asia and beautiful flower pots provided by the women’s division. We are a great group of ladies and have a lot of fun.

I sit here healing from falling off a 10’ ladder. I fractured the L4 in my lower Spine when the ladder twisted and threw me off. Lucky, and mostly blessed, to be here.

Enough about me, we are having a great year. I thoroughly enjoyed the Friends of the NRA Banquet/ Fund Raiser at Nile on April 27th. 227 attended. They loved Nile. Most had never been here before.

Our club is growing and that is a good thing. Meetings are the 2nd Tuesday of each month starting at 6:00 pm in the main building at Nile. Come visit us and see what we do.

Ladies’ Golf Club
by Toni Oien
We are well underway for the season and had 5 Tuesdays to play in April. The weather cooperated and we were able to get it all but one of the competitions for the month of April.

May 7th was our Monthly Medal event. This Month’s winners was Barbara Scott with a net of 62. The winner for low putts for the month also goes to: Barbara Scott with 32 putts. Congratulations, Barbara!

The gazebo by the hole 1 will be decorated with hanging flower pots provided by the women’s division. We will be providing pots filled with geraniums, petunias, begonias and bacopa.

The ladies division is looking for new members. Anyone interested in hearing what the club is all about is welcome to contact me, Toni Oien, Assistant Captain, at 425-486-3558 or Captain Mary Jo Toivola at 206-367-3712. We encourage anyone to come and give us a try. We are a great group of ladies and have a lot of fun.

Kitsap Peninsula Shrine Club
by Al Dillan, Secretary
With most of the parades behind us and the club going dark for the summer, it is now nothing but FUN time. This starts by manning a booth on Saturday, June 1st for Kid’s Day at the fair grounds to “spread the word” to thousands of kids and their parents about the Shriners Hospitals for Children. Nothing to do there but talk to people and watch them enjoying themselves.

On Saturday, June 29th we will be in the Fathoms O’ Fun Parade in Port Orchard. Form-up is at the Port Orchard parking lot by 5:00 pm with the parade starting at 6:00 pm. This should be a great Shrine presence with our flag unit, convertibles all decorated, club
parade truck, perhaps a mini-bike or two and, who knows, maybe even a clown.

The next week on Saturday, July 6th we plan to have our annual great time at Tahuya. All are welcome but you should call to get time, direction and plans so you don't miss this.

The next day, Sunday, July 7th, is our annual picnic with the LOA. Plans for this picnic are greater than you can imagine with music, a magician, contests, games and, of course, food and ice cream. It'll be at the Bremerton Elks parade grounds starting at noon. We've said it before, but you and your family really don't want to miss this one.

The sad news about KPSC going dark in the summer, don't want to miss this one. It's June and we are dark until September. At our last meeting we will make a final judgment with this event. Lady Liz Seldon, PHP. Call her if you have any questions. Cookies are needed both times.

On July 21st, there will be the family picnic at the Nile Shrine Center. We will have a bake sale in conjunction with this event. Lady Liz Seldon, PHP will be the chairman for the bake sale. Please let her know what you are planning to bring. She will also need workers during the day.

Just a reminder, our Grand High Priestess will be making her visitation early in August. The meeting and luncheon will be on Tuesday, August 6th.

Have a nice summer.

Northwest Shrine Club

by Ron Fine/ President.

It's June and we are dark until September. At our last dinner meeting we only had 25 members and guests. Two police officers from Ferndale Police Department gave a very good talk on ID Theft.

There was much discussion about the new rules from the gambling commission. The Nobles were very unhappy about their interference, as all raffle prizes are donated by the Nobles and no club money is used at all.

At our September meeting we will make a final judgement if we keep the raffle. This is just a slow death to the club. The sunshine committee will keep in touch with our Nobles and Ladies who are ill. Enjoy your summer and lets see you all in September.

West Seattle Shrine Club

by Bill Fowler, 1st Vice President

While in Baltimore, we visited the U.S. Naval Acad-
emy, Fort McHenry, and The Baltimore Basilica
(America’s first cathedral). We also enjoyed a won-derful
festival at the Baltimore Orioles. The next day, we
traveled to the Maryland State Fairgrounds and
attended the opening ceremony of the new
Anchorage Outreach Clinic. It was an amazing
day for the children of Puerto Rico.

Moreover, we received a letter from the Director of
Facilities asking for the future practice of sharing
administrators. The May 2013 board meeting was facilitated using
your assistance which, as always, is vital to make this
process a success.

We are very appreciative of the efforts by the Philadel-
phia Shriners Hospital medical staff and the volun-
teers from the Saint Juan medical community. It was a
good way for the children to celebrate Puerto Rico.

The Western Shrine Association meeting was held in
Albuquerque, under the leadership of President and
Pastotateur Richard Almeter of Ballet Abroad Shriners
and Western Shriners’ Trustees. Other Impe-
rial officers in attendance were PIP Douglas Max-
well, Imperial Sir Bill Bailey, and Imperial Sir Wayne
Lachut, along with our Ladies Jan Madsen, Janet
Lachut and Deb Bailey.

The ice breaker on Wednesday evening, Western Cow-
boy Day, was a big hit! The parade to follow was a
