THE POTENTATE ELECT
by Craig Jacobson

WOW, what an election. Clearly your vote was heard. Now that the dust has settled, I hope we can all come together and work hard for the good of Nile and its Nobility. Thank you to all who have put their trust in the 2014 elected at all levels, and look forward to seeing you at the 2014 Installation of Officers on January 11th.

The newly elected Divan looks forward to getting to work and our challenges for the future. The number one goal is: MEMBERSHIP! It is our life line and our top priority. We must all come together and devote this mission and undertaking for our very survival of our Clubs and Units. We need to count on each other collectively to overcome barriers in positive ways.

2014 is OUR year. We need to listen to each other, so I challenge each of you to DREAM, BELIEVE, ACHIEVE AND SUCCEED and adopt the “YES I CAN” attitude to set achievable goals that can secure the future of the Nile Temple for years ahead.

We wish to thank our 2013 Potentate Jim Hutchins, and his Lady Marilyn, for their dedicated service and operation of this Temple. We wish them well in the future.

*Greeters*

by Jim Hutchins

The Nile Greeters have a rich history at Nile, and we provide an important service for our Nobles and guests. At special Nile events, the Greeters are the first Nobles you will see as you enter. We open the doors and greet Nobles and guests as they enter Nile Temple. But that is not all we do. We also provide an important service during Nile’s annual Haunted House, running several shuttle vans that transport customers back and forth from the parking lot to the Haunted House site. Our Greeter vans are also used as parade vehicles.

In addition to greeting and transporting services, we also participate in fund raisers and social events. Each year in October we put on an annual major fund raiser, the Great Club feed, and we also have an annual Sweetheart Brunch and a Holiday Party for the members of our Unit. And, we have also been known to invent reasons to come together and have a good time as well.

If you want to have fun and make a significant contribution at Nile, come and join the Nile Greeters. We meet at 7:30 pm in the Men’s Club at Nile Shrine Center on the first Wednesday of each month and we have a great time serving our Nobility. You are all invited to join us in service and fun.

*Mini Bike Patrol*

Dave Brady Sr.

Would you like to join our mini bike unit and ride in parades? If interested please contact Dave Brady at 425-481-0159 or Howard Wise at 425-245-3289 for more information. Dues are $50 a year. Our uniforms are white polo shirts with the Nile mini bike emblem on them, black pants, red jacket, and black shoes. We have red helmets with dark sun visors with your first name on them.

Currently we ride 1970 Honda Trail “70” mini bikes in parades from May through the first weekend in October. But we are planning to acquire newer bikes. We perform maneuvers throughout the parade such as two's, four's, "V" formation, matching wheels and figure eights. Our practices begin in April. During parade season we meet for breakfast and caravan together to the parade site. Throughout the year we get together to socialize and have fun. We hope you will consider joining.

A Message from the IMPERIAL POTENTATE

Dear Fellow Nobles,

Over the past five months as your Imperial Potentate, I have witnessed tremendous progress throughout our organization. During my travels to various association meetings, temples and our hospitals, I’ve had the opportunity to observe a new nobility—one that is re-energized to do its part in accomplishing our goal of increasing and sustaining membership. On behalf of Shriners International, I want to say that we are very pleased with your collective efforts to reach our goals. Working together, we can ensure continued momentum into the new year.

One way temples are working to meet their individual membership goals is through the Pace Program: Setting the Pace for a Strong Future. The program, created in collaboration with the membership development office, is designed to provide hands-on mentoring to participating temples, and create specific, achievable membership goals for them. Since the program’s inception, several temples have registered, and many have completed their initial kickoff meeting. Azan Shriners of Melbourne, Fla., is participating in the program and is pleased with the progress being made. “The hands-on involvement by an Imperial Officer has motivated our temple to achieve our goals in the coming year,” said Ronald Trinkle, Chief Rabban. “This program shows the temples that the Imperial office is committed to helping each of us meet our needs.”

All temples may register for the program. For more information, contact the office of membership development at membership@shrinenet.org.

In addition to the Pace Program, Shriners International has created the Red Skelton Shriners Community Awareness Award. The program encourages temples to share community awareness efforts that have benefited either the fraternity or philanthropy. Created in honor of our own great communicator, Noble Red Skelton, the award will recognize temples that have successfully raised awareness of our organizations. In other news, I am thrilled to announce that Shriners Hospitals for Children has created the Red Skelton Shriners Community Awareness Award. The program encourages temples to share community awareness efforts that have benefited either the fraternity or philanthropy.

On behalf of Shriners International, the Imperial Divan and their ladies, First Lady Margaret and I wish you a safe and happy holiday.

Yours in the faith,
John A. Cimotto
Imperial Potentate

What is Medicare?

As you may already know Medicare is our country’s health insurance program for people 65 and older. Certain people younger than age 65 can qualify for Medicare including those who have disabilities, permanent kidney failure or Lou Gehrig’s Disease. This program can help with the cost of health care, but it does not cover all medical expenses nor the cost of most long-term care. There is a Medicare Supplement policy called Medigap, which can be provided through private insurance companies to cover some of the costs that Medicare does not cover.

Medicare is financed by a portion of payroll taxes paid by workers and their employers; it is also financed in part by monthly premiums deducted from Social Security checks.

The agency in charge of Medicare is called The Centers for Medicare & Medicaid Services; you can apply for Medicare at their offices or at any Social Security Office.

Medicare Part A & B

Medicare Part A, also known as Hospital Insurance, helps pay for inpatient care in a hospital or skilled nursing facility (following a hospital stay), some home health care as well as hospice care. Medicare Part B, also known as Medical Insurance, helps pay for doctors’ services and many other medical services and supplies that are not covered by Medicare Part A.

Medicare Part C & D

Medicare Part C, also known as Medicare Advantage, allows you to choose to receive all of your health care services through a provider organization. Medicare Part D, also known as Prescription Drug Coverage, is voluntary and the costs are paid for by the monthly premiums of enrollees and Medicare. If you want Medicare Part D, you have to opt in by filling out a form and enrolling in an approved plan.

Initial Enrollment Periods

Newly Eligible for Medicare because you turn 65

• You can: Sign up for a Medicare Advantage Plan (Part C) (with or without prescription drug coverage) or a Medicare Prescription Drug Plan (Part D).

• This can be done during the 7 month period that starts 3 months before the month you turn 65 (includes the month you turn 65) and ends 3 months after the month you turn 65.

You’re newly eligible for Medicare because you’re disabled and under 65

• You can: Sign up for a Medicare Advantage Plan (Part C) (with or without prescription drug coverage) or a Medicare Prescription Drug Plan (Part D).

Newly Eligible for Medicare because you turn 65 after becoming eligible for Medicare for the first time, and you aren’t entitled to or enrolled in Medicare Part A

• This can be done at any time.

• You can: Sign up for both Medicare Parts A and B.

What are your responsibilities after enrolling?

Your Medicare card will be sent to you in the mail. You can contact a Case Manager at Masonic Outreach Services (Part C & D) at 1-877-486-2048, or visit medicare.gov/publications.

The Treasurer requested to use Building and Grounds funds to erect a building in the picnic area. The materials have been largely donated and Apprentice Carpenters will provide the labor at no cost. It is part of their apprenticeship requirements to show they are ready to be Journeymen. The amount is $5,000 was M/2/P.

The Treasurer spoke about the fund raising for 2014 and looked forward to a very successful year. The Recorder requested for funds from the DAD Fund to repair the heating system in the old portion of the building. This was an emergency situation to have heat during the cold spell. The amount required for repair was $1,107.04, it was M/2/P. The Potentate then spoke to the Nobility about his year and thanked all of the Clubs and Units who have supported him and Nile during the 2013 year. He received a standing ovation for his work in 2013. A check for the Nile General Fund was presented by Nile Men’s Golf Club in the amount of $3,175. Many thanks to them. The Chanters presented a check for a bench on the Golf Course in 2014, again, many thanks for your support. Noble Forest G. Wright spoke about his Hospital time and involvement with SNOW (School Nurses of Washington). He is unable to continue in that position, and announced his successor Noble Ron Savage. In Forest’s 8 years of service he and SNOW have served 633 children. It is always great to hear “I love Shriners” when he visits the group of nurses. Noble Don Lane is planning a New Years Eve event. Not a fund raiser, but just a good time with snacks, champagne, dancing, entertainment (a magician who Don hopes, will make Dave Brady disappear), plus a mind reader. So be there: tickets available from the Divan or in the Office; $45 per person. It’s a real bargain. The meeting was then closed by Potentate James L. Hutchins at 8:55 pm. Respectfully submitted Richard D. Sysyn, Recorder Nile Shrine Stated Meeting December 11, 2013
