YOUR POTE'S NOTES
by Craig A. “Jake” Jacobson, Potentate

October got off to a great start with the Granite Falls Parade. Damascus Lodge hosted a great breakfast and had a successful fundraiser thanks to the Nobles who attended. I wish to thank their Master and Lodge Brothers for a job well done. 

Our Oktoberfest Stated Meeting was well attended with Kitsap Peninsula and Olympic Peninsula Shrine Clubs coming together to be the honor guard for the evening. Our entertainment, Happy Han’s, informed the nobility of their close connection to the Shrine as a Past Potentate once played in their band.

Our Haunted Village is up and running with the first weekend preceding last year’s start. The wet weather was a factor this year with a dash of high winds. I want to recognize and thank all the volunteers who made this year’s Haunted Village event a success. We simply cannot do it without you. No matter if you spent an hour or a full shift, it’s you who took time out of your lives to support the Temple’s efforts in putting on this fundraiser.

November 14 is Kash for Kid’s night where the unexpected could and has happened. Bowling for Turkeys has been popular in recent years. I encourage you to invite friends and family to this enjoyable evening to possibly win a turkey or two and have FUN. Remember buy as many tickets as you want and win as many or possibly win a turkey or two and have FUN. Remember buy as many tickets as you want and win as many turkey’s as you can.

Nobles, let us all head in to November thankful for what we have. I ask you to remember the sacrifices our Armed Forces personnel and others have given so that we may be thankful. Remember the true meaning of the Season is the giving and sharing with those less fortunate than ourselves and support our communities as they have supported us. Enjoy the Holiday Seasons ahead and may your hearts be filled with the joy you bring to your family, friends and the Shrine Hospitals for Children.

EACH DECEMBER WE ELECT OFFICERS

Positions Include:

- Oriental Guide
- Recorder
- Treasurer

The Leadership Search Committee has the task of identifying Nobles with leadership talents, management experience, a positive attitude and a desire to become involved in the management of Nile Shrine by running for the position of Oriental Guide. Nobles, we need someone who is willing to give of themselves and to keep this part of Shrinedom alive and well. It will take strong leadership and skilled management to keep our facility healthy and productive as we move into the challenging years ahead. As Oriental Guide you will be part of the management of this facility and have the opportunity to learn and to influence Nile’s future. It is a rewarding and honorable experience. If you believe that you qualify and wish to apply, please contact the Search Committee Chairman III Richard E. Sardeson, 206-283-2022 or Ill. John G. Lien, co-chairman 360-854-9033 to arrange a meeting with the committee.

Other positions up for election each year include the Recorder and Treasurer. If you have the desire and the qualifications for these positions consider running. These positions must be voted on yearly.

THE CHIEF RABBAN
by Dave Brady Sr.

In October, six of us from Nile went to the School Nurses of Washington (S.N.O.W) convention to meet, greet and hand out brochures, posters, and coloring books and to talk about Shriners Hospitals for Children. We had a great time and talked to many people. There were around 250 to 300 nurses in attendance. The Greeters Crab Feed in October went well. The crab was excellent and the service was good. Our thanks go to the greeters for this wonderful annual event.

At this writing, the Haunted House is running well. It is showing signs of being the best ever.

Sunday, November 22nd at 2:00 pm in the Potentates Lounge is our 3rd and last informational meeting for next year’s Nile Mexican Riveria Cruise. The cruise departs San Diego on Friday March 6th and returns Saturday March 14th. We have had lots of interest at the two previous meetings. There is still time to sign up. Please come and have an enjoyable afternoon, and learn about next year’s cruise from the AAA representatives. There will be door prizes and snacks available.

Friday November 14th is our annual “Kash for Kids” Turkey Raffle. Zem Zem at 5 pm, dinner (6) at 6 pm, Turkey Raffle (80 turkey’s) after dinner. The meeting is open to all. Please come and support our kids. Our golf ball drop event for Sunday July 26, 2015 is in full swing. We are selling 3,000 golf balls for $5.00 a ticket. The golf balls will be dropped from a helicopter. Each booklet has 10 tickets in it to sell. Each booklet is worth $50.00, sell the tickets and return the ticket stubs to the office with the $50.00. We need everyone to help sell tickets. Come to the office and pick them up. All proceeds go to Shriners Hospital for Children and it is tax deductible.

Don’t forget, our December meeting is the election of our 2015 officers. It is important that you attend and vote for the Nobles you would like to see lead our Temple through 2015.

We are still looking for a Photography Committee. Duties are to take pictures at Nile activities in 2015. The committee will need to cover as many events as possible throughout the year taking pictures to send in to our web page. Let me know if you would like to be involved in this.

If you want to attend a Shrine club meeting near you contact the Nile office. They can tell you when, where, and what time the club meets, or look in the SWN.

NOVEMBER 2014
Greetings Nobles, as November brings a definite close to Nile's parade season, it also brings the beginning of the Holiday Season.

Once again, thanks all of the Clubs and Units for your participation in all six of the Post's-Call parades. I am happy to report that we will have only two or three more of the Units and Clubs that have not been able to participate again. The 2015 parade season will have the nine Post's-Call parades so be prepared.

Our last parade was “Railroad Days” at Granite Falls and it was well attended by Nile and the spectators. A great breakfast was provided by Damascus Lodge, so before the parade fellowship was definitely abundant. Please keep in mind the stated meeting on the 12th has been moved to Friday the 14th. It will be “Kash for Kids Nile” and the Turkey Raffle. I hope you win one and have a happy Thanksgiving to you and yours.

The Grand Opening of our new facility down by the lake was very successful. Everyone loved the great murals, bar, leather furniture, lighting, new carpet, barbeque beef sandwich” booth that the Shurtah operates. The at- tendance at the Fair was good, but the income for all of the food vendors was down. This was due in part to increased admission, parking and ride prices. There was a discussion of the need for a “Facil- ity Manager” here at the Nile Center. This manager would have complete authority over budgets and staff. The manager would be supervised by the Board of Directors and would not be subject to “suggestions and directives” from Past Potentates or current officers of the Divan.

We discussed collecting an additional $20 per member over the annual dues to cover the cost of each mem- ber’s “libation donation.” This would give the Refresh- ment Captain a funds for re-supplying his inventory. This additional annual fee will require a change in the By-Laws, and the Executive Committee is presently working on this idea, which was supported by the managers present.

All activity committees are reminded that unless you have a signed contract from Marcus, you may not have a date for your upcoming event. There is a charge for the food. The 20th parade season will find two or three more of the Units and Clubs that have not been able to participate again. The 2015 parade season will have the nine Post's-Call parades so be prepared.

TIME TO CUT THE BULL

Kids with physical disabilities are twice as likely to be bullied, according to our friends at the National Bullying Prevention Center. At Shriners Hospitals for Children®, we get to know thousands of patients who are coping with orthopedic conditions, spina bifida, cerebral palsy, and other conditions, which may make them the targets of bullies. And it breaks my heart to think they may be subjected to abuse when they return to school.

That’s why Shriners Hospitals for Children’s care doesn’t stop at the hospital door. We go into schools to teach our patients’ classmates about how everyone deserves respect. Together, we can #CutTheBull and end bullying. The difference is huge. We can embrace others for who they are, not who we think they should be. Visit CutTheBullNow.org to learn more and sign the pledge. Please share a special message with your friends and family today.

November 2014
Dear Fellow Nobles,

While serving as Imperial Potentate, I find myself spending a lot of time traveling from one event or meeting to the next. This is worthwhile because it provides opportunities to meet so many of you – both the fraternal and hospital side – and really see how important Shriners International and Shriners Hospitals for Children are to our members, staff, patients and families.

The Shriners Hospitals for Children Open concluded just last week in Las Vegas. Of course, it was an exciting professional golf tournament, and the winners took home a handsome purse, and countless memories. We had about 3,000 people attending a tremendous opportunity to show what we mean to be Shriner with many new friends, and a chance to showcase the importance of Masonic Outreach Services for children can have on the lives of children.

Our National Patient Ambassadors, Joe Dertinger of Minnesota and Katie Ladlie of Missouri did an outstanding job of sharing their stories – and of challenging the pro golfers to learn a bit about living with a disability in a very personal and tangible way through an event called the Hospital Experience. I want to commend and thank everyone whose months of effort and planning were clearly evident throughout the high level of activity all week long. We have had no problems to remember their pride in being a Shriner – the Shriners Hospitals for Children Open and all it signifies is certainly a source of pride. This event should make us all proud to be Shriner, especially because of the awareness it builds worldwide. Congratulations to the first ever PGA TOUR victory. Martin finished at 20-under 256 to bring home the trophy.

Prior to the golf tournament, we were in St. Louis for the cornerstone laying ceremony for the new hospital, which is scheduled to open early next year. It was an honor to witness the celebration. (As an aside, the Lodge of Missouri perform this particularly moving and traditional ceremony. More than 700 Masons and Shrines were in attendance. We were honored for the opportunity to witness the occasion.)

We look forward to continued progress on our other locations, which are on schedule to open in 2015.

Emphasizing Membership

It was our pleasure to attend the 2014 Shriners International Membership Seminar earlier this month. More than 300 members from 12 lodges representing 118 temples attended the interesting and informative event as well as representatives from the Grand Lodges and Daughters of the Nile. I would like to challenge the temples to strive for 100 percent participation in 2015.

Congratulations to seminar leader Imperial Sir Jeff Bottom, Chairman of the Imperial Membership Committee and Imperial Oriental Guide, for presenting such a successful and informative meeting. The Annual Shriner of the Month Award program was initiated to honor our local unsusung heroes – the “everyday” Shriners that always go above and beyond to do the work that needs to be done. Temples and hospitals can make nominations for this award. To learn more, please visit Shriners.org.

Remembering Our Soldiers

At the end of the month, we will participate in the annual wreath-laying ceremony, along with leaders and members of the International Association of War Graves at Arlington National Cemetery. The monument recognizes services of an unidentified soldier and honors the memory of all soldiers who gave their lives in war. We were honored to be part of a similar event last June at the Canadian National Military Cemetery in Ottawa, Ontario, honoring the memory of Canadian soldiers lost in war. Thousands of our own brothers have served in the armed forces and we pay tribute to each of their sacrifices. It is a privilege to honor all the veterans and current soldiers, who risk their lives for a peaceful world.

Being Considerate and Appreciative

As Shriners we strive to live with a sense of brotherly love and charity (consideration) toward one another. I would like to ask all our brothers to show increased politeness even further, especially to our staff. If you have questions, concerns or suggestions about programs, products or publications, please remember to express to them in a positive, considerate manner, and remember that we are all working hard and does the best they can to do what we ask of them.

Thank you for all you do for Shriners International and Shriners Hospitals for Children.

Yours in the faith,

Dale W. Stauss, Imperial Potentate
