Message From The Potentate
by Gale H. Kenney

Dear Nobles and Ladies:

This shall be my fifth message bringing you up-to-date on the activities and happenings at your Nile Shrine Center.

The summer has come and gone and the Units and Clubs are now back to labor with their various activities and events.

As I mentioned in our last Smile with Nile, P.N.S.A. was a huge success, thanks to Noble Scott Wells, his Lady Ann; Ill. Sir Don Lane, his Lady Denise and the multitude of volunteers who made everything happen and come off like clock-work. A tip of the Fez to all for an impressive event!

The week after P.N.S.A., we walked in the Lake City Parade on the 5th of August, and on the 6th, we joined the Ladies Oriental Shrine (L.O.S.) at the Nile for their Salmon B-B-Q Picnic fundraiser and a great time.

On the 19th of August, around thirty Nobles, Ladies and guests attended the AquaSox game for some food, fun, fellowship and a baseball game. Though they didn’t win, it was still a good game with great fireworks afterwards. I must admit, it did cool down as the evening progressed and folks were putting on their coats, gloves and hats and crawling under blankets to keep warm. Lady Annie Bronner promised that next year, the game will be in the afternoon!

At the end of the month on the 27th, Lady Jane and I attended the Daughters of the Nile’s (D.O.N.) Supreme Queen’s Visit to witness the Daughter’s Ceremonial where they initiated four new members. During the luncheon, I brought greetings on behalf of the Nobles of the Nile Temple and had a nice chat with the Supreme Queen, Karen L. Keuther. I even showed her the Potentate’s “small” office.

Two days later, on the 29th, I attended the Grand High Priestess, Lady Janet Larson’s Official Visit to Ahmes Court No. 41 of the Ladies Oriental Shrine (L.O.S.) at the Seattle Scottish Rite. The Ladies Clown Unit was present, and the Ladies Oriental Dancers and Ladies Oriental Band performed during dinner and later the Ladies Patrol Unit impressed everyone with their marching drill skills.

The end of the month found the Shurtah and Oriental Band raising funds for their Units and the Nile at their beef and corn booths at the Monroe Fair. Thank you to all of the volunteers who put in many hours to operate the two successful booths.

On September 13th, we had a busy Stated Meeting with much business to catch up on since our last Stated, and from the 14th thru the 23rd, a group of us went on the “Potentate and First Lady’s Cruise” around the Hawaiian Islands. Everyone who went had a great time. A couple of the highlights were visiting and having a tour of the Shriners Hospital in Honolulu and going to the Arizona Memorial at Pearl Harbor.

Coming up in October, we will participate in our last parade of the year in Granite Falls on Saturday, October 7th. That evening, the Greeters will be having their 35th Annual Crab Feed. Please come out and support them.

Our Open Meeting on Wednesday, October 11th, will be the Official Visit of the Grand Master, MWBro. Warren R. Schoebe. This meeting will be open to all Nobles, Ladies and guests. The Jobies, Rainbow and DeMolay will be presenting one of their ceremonies, and the Golf Club has graciously agreed to be the Honor Guard for the evening. A flyer will have come out by the time you read this paragraph.

Our fifth Blue Lodge visit will be to St. John’s Lodge No. 9 on Wednesday, October 18th. And our sixth and final Blue Lodge visit, for the year, will be to Damascus Lodge No. 199 on Tuesday, November 14th. Communications will be sent out with more information in the near future.

Our Seventh Annual Haunted House will be running for twelve (12) nights during the month of October, under the capable leadership of our Director of Haunted House, Noble Peter Pawlicki. Volunteers are always needed. Please see Peter and High Priest & Prophet Michael Riley to sign up for a shift. Also, be a Haunted House Daddy and

Dues Card Required for Admittance

The annual election of officers of the Nile Shriners and the Representatives to the Imperial Session for the year 2018 will be held at the Stated Meeting, Wednesday, December 13, 2017, at the Nile Shrine Center. The By-Laws of Shriners International, an Iowa Corporation, under Section 325.11 provides:

325.11 Election Regulations - Amended 2011
(a) Electioneering. A candidate for an elected office in a Shrine Temple may print, publish and circulate during the year he is seeking the elected office, a resume consisting of his educational background, his vocational history, and his Masonic and Shrine record. Except as provided in the prior sentence, the printing, publication, circulating or distributing of resolutions, letters, tickets, e-mail or other devices by a Unit, Club, Noble or group of Nobles, suggesting, recommending, opposing, or containing the names of proposed candidates for office in the Temple is prohibited.

(b) Expenditures Prohibited. The expenditure of money for gifts, favors, or entertainment on behalf of a candidate for elected office is prohibited.

(c) Violation. For any violation of (a) or (b), the Imperial Potentate may suspend any offending Noble, and he may declare the election of the officers void and order a new election.

Potentate’s Cruise for 2018

We are planning a Potentate’s Cruise for June of 2018 to Western Alaska, a fourteen day event. There will be a presentation get together in the Potentate’s Lounge on October 15th, 2017 at 4:00 pm. Some light dinner and snacks will be there. We will be pleased to see you attend.

This event will leave from Seattle and go to Ketchikan, Juneau and Hoonah off Icy Strait and then across the Gulf of Alaska past the Barron Islands into Cook Inlet and 180 miles up the Inlet to Anchorage. As you probably know, Anchorage lays at Latitude 61.2 degrees North. Seattle on the other hand is Latitude 47.6 North. The impact of the midnight sun is dramatic in Anchorage in June. We will be in Anchorage within ten days of the Summer Solstice (i.e. longest day of the year). Long, hopefully, sunny days and a few hours of something similar to darkness. Bring sun glasses because the sun is always low in the sky. It seems to just go around the horizon. We will need to be very careful not to stare at the sun.

From Anchorage back to Homer on the South West end of the Kenai Peninsula on Kachemak Bay then to Kodiak, Hubbard Glacier, Sitka, Victoria and Seattle.

So grab your hat, get a firm grip on whatever you hold sacred and plan to have some fun in Western Alaska.

Termination of Potentate Appointments for 2017

Brother Nobles:

In accordance with Nile Shrine Procedures, when a Potentate’s term of office expires, all appointments made by him during his administration terminate, and courtesy requires that a Noble holding an appointive office, tender his resignation to the incoming Potentate. If it is the will and pleasure of the incoming Potentate that the Noble is to continue in his position by re-appointment, he will be notified by the Potentate-Elect to that effect.

To all present appointees for 2017, I would like to say ‘Thank you’ for doing the job to which you were appointed. You have each, in your own way, helped to make the Nile Temple a more progressive and stronger organization.

Thank you for your friendship, fellowship and fraternalism.

Yours in the faith,

Gale H. Kenney

Attention Nobles

This will be the last reminder in the Smile with Nile that our Treasurer, Noble Steve Kiely and our Recorder, Ill. Sir Jim Hutchins will be stepping down at the end of the year. They have spent the past year and three-quarters laboring in the quarries “taking care of business” and assuring that the Nile is moving in a positive direction and I applaud them for their tireless energy.

With that being said, it is extremely important that Nobles step up now and make contact with Steve and Jim to find out what the duties and positions require, and if interested, sit down with them and learn what the day-to-day activities entail.

It is important to the Nobles and the health of the Temple, that we have a smooth and seamless transition of knowledge to the new Treasurer and Recorder, who will assume these positions starting in January of 2018.

There are only three months until elections in December. Let each of us do our part to embrace our future.

Yours in the faith,

Gale H. Kenney, Potentate 2017

Blast From the Past—Remembering our Veterans

This was written by Dottie Nichols about her husband, Hollis’ experience in Germany on March 18, 1944.

Today, I started my second mission as first pilot with practically a new crew. Lt. Bolick and Sgt. Scott had previous combat experience, but the balance of the crew was on their third mission. This was my second trip to Friedrichshafen, both trips in 112Q, PAPER DOLL.

We took-off with very bad visibility and formed over our Field. The assembly was normal. Starting out on course, I had to pull excessive manifold pressure and RPM to stay with the formation. Coming up to the south coast of England, we had a very bad series of light cirrus clouds and prop wash causing a lot of trouble.

The entire formation made a 360 over the channel as we were ten minutes early and we needed another 2000 feet of altitude. This maneuver made us late and last in the Division. We had to draw excessive settings again to stay with the bomber stream. My element, the high in the second section, caused a lot of trouble by the S turns required to stay behind the lead section. Bad settings and varying speeds made me sweat fuel all the way to the target.

We approached the target the first time in pretty good shape and not bothered with enemy fighters, although the flak was pretty accurate and intense. We did not drop the first time, although the formation went directly over the target. (A Group of B-17s slid under us.) We did a 180 degree turn to the right to go back to I. P. and make another run. We (the 44th) proceeded into the second run at the same altitude, speed, and heading, but all alone at the end of the bomber stream.

Just as we approached the city, my no. 3 engine ran wild. I had been sweating no. 1 supercharger and no. 3 came to me as quite a surprise. The prop governor had gone bad and we couldn’t feather it. I tried everything, including circuit breaker and shutting off fuel and ignition, but with no results. We still maintained 60 inches of manifold pressure and 3700 RPM. The prop was coming loose and causing excessive vibration throughout the ship. Sparks, oil and flame were coming out from all around the engine.

In the meantime, I ordered the bombs dropped on the city and pulled the plane out of formation, swinging towards Switzerland in hopes that if I were terribly lucky, I could get it shut down, hit the deck and head back. But my fuel was so low, I probably would have been darned lucky if I got to the French coast. When I saw I couldn’t do anything about it, I made sure I was far enough inside Switzerland before I gave the order to bail out so my men wouldn’t drift back into Germany.

I stayed with the ship as long as I dared, to make sure the crew was all out. I had it on AFCE and in 140 MPH glide to insure I could get out. The ship was beginning to fall apart now. I had fastened my G.I. shoes to my parachute to be sure I had shoes when I got down. I then went to the catwalk and paused. As I did so, the engine blew up and the prop went through the ship too darned close to where I would have been sitting.

Flames and debris sprayed back on me and I decided then to jump. The tail gunner came out at the same time as I did. He saw all of the control cables going back as they were severed by the prop.

We all landed safely and were taken into custody by the Home Guard in the little town of Wil, 28 miles inside the Swiss border.

- Lt. Hollis (Nick) Nichols, Nile Shrine Noble

Lt. Nichols and his entire crew were interned at a golf club facility above Neuchatel, Switzerland until early summer, when, due to over crowding, he was separated from the enlisted men and was transferred to Davos. Later, Lt. Nichols managed a successful escape aided by the Free French and returned to duty.

On your mark—get set—GO! At the Nile Family Picnic on July 16th
After over 2 years of planning, it is all over. Our PNSA 2017 was a great success. We made a profit and had a ton of fun. We had over 275 attendees visit our beautiful corner of the northwest during July 26 thru July 29, 2017. There were three fun days of tours to Red Hook Brewery, St Michelle Winery, the world famous Ballard Locks, Space Needle and a guided tour of Chihuly Glass Garden. Also, a golf tournament and lunch for 30 golfers, counterparts dinners, Pirate degree and Draggin Lady Degree, meet and greet socials, and picnic dinner with musical entertainment for listening and dancing.

Our competition day started off the morning listening to some of the sweetest music this side of heaven, the Oriental Bands competing in the Ballroom.

After the ladies and men’s lunches, we enjoyed the clowns compete and the Legion of Honor 4 man-in-line inspections. Mid-afternoon we watched the motorized units performance at St. Pius Church parking lot. All the units completed the day participating in the Mountlake Terrace, Tour de Terrace Parade.

Saturday evening was the President’s Banquet and Awards Ceremony and another outstanding food choice of salmon/steak duet. We were entertained by our magician, Noble Craig Colombel, who almost took off our Potentate’s head, but he survived. We had the normal speakers and thank you’s went out to everyone that worked on PNSA. We were honored to have 3 Imperial Officers and their ladies attend PNSA.

A big THANK YOU goes out to all Advisors, Bosses, Non Bosses, Chairpersons, Helpers, Volunteers, workers, attendees and everyone that helped make this one of the best PNSA ever.

THANK YOU!
I want to give a special thank you to Michael Riley for his webpage expertise, Howard and Marcia Wise for the many hours working on registration, Larry and Annie Bronner for all the decorations. Orville and Deanna Stoner/Craig and Stacy Colombel for making the power point presentation at the banquet a huge success, Craig for the fantastic magic act, Darrick and Anne Hayman for all their work with the Oriental Bands and Tour de Terrace parade, Ned Daniels and Lady Linda Sherry, Richard Kovak, Lady Carol and Marty Busby for doing an outstanding job on the Nobles and Ladies Degrees, Sherri Duke for making all three tours a great experience for all who attended, Bob O'Brien, Dick Brandon and all the van drivers for getting our attendees to and from the events and meals, Nile employees in the 19th Bar & Grill, golf shop crew and grounds keepers, Laura VanDeventer, our membership administrator, whose computer skills at producing all the programs and tickets were a real highlight. Our Caterer, Leila Noonan and the NW Catering Staff was outstanding. We had many comments about the food and service, and one Shrine Center even wanted to hire Leila. I also have to thank Don Lane and lady Denise for giving me the opportunity to have everyone enjoy our Nile Shrine Center’s friendship and hospitality. I was very proud to “show off” Nile Shrine Center and to see how everyone enjoyed being here. Finally, thank you to my Lady Ann Wells who supported me with all her skills and love.

Have you paid your dues for 2018? Check the label on your RSC newsletter or reply when you get the online version. I’ll send your dues status. It’s still the same as we started—$5/year. Send checks made payable to Renton Shrine Club to PO Box 355, Kent WA 98035.

What a wonderful Oktoberfest (in September)! Dick and Margaret Gerber did a fantastic job, and even ordered up some great weather. Dick found his German items at Hans’ Sausage & Deli in Burien. And, of course, his cooking skill is unsurpassed. Well, at least among our club members.

We had great German bier, potato salad and brats. Thank you Dick & Margaret! Photos are available online. Please contact me for the link.

Men’s Golf Club

As we approach the end of the 2017 summer season for the Golf Club, we can look back on several months of great golfing weather. And, we had many outstanding meals served at our monthly meetings.

A few of the noteworthy events and comments for this year include a big thanks to Arne Ringstad who again chaired the Annual Nile Shrine Golf Classic Tournament which was held on Saturday, July 8th. Not only was the event a lot of fun, it has proven to be a successful fundraiser for the Golf Club. (Of which a large portion of the proceeds go to support the Nile Shrine Temple.)

A big cheer for our Past Potentate Don Lane who got a Hole in One over the Memorial Day weekend at the Nile. Congrats again to Don. And Congrats to Charlie Song who once again emerged as Club Champion. He won a close match with Ren Hamil. Competition is alive and well.

The last regular Golf Club Business meeting of the season was held, Wednesday, September 27th. New officers for 2018 were elected and will be announced at the Golf Club Banquet as well. Look for more details next month. And be sure to mark your calendar for Saturday, October 14th for the Annual Golf Club Banquet.

Membership in the Men’s Golf Club, is only $40 per year. Good golfing weather is still with us. Come join your Brother Nobles in the fun!

Uniformed Units

Nobles All;

The parade season for 2017 is coming to an end; our last parade will be on Saturday, October 7th. This is Railroad Days in Granite Falls.

Damascus Lodge will be cooking breakfast from 7:00 am to 11:00 am by donation. Form-up at 11:00 am and parade start is at 12:00 pm. Where to form up and our number will be provided around three days before the parade at which time I’ll get it out to you.

As this season ends, it will also be my last season as Director of Uniformed Units for the Nile. I took on this responsibility once Director, Nick Nichols moved to Arizona after the La Conner Parade in 2013. The last five years have been busy with some challenges and yet a great deal of fun. I will see you all down the road.

Jud Chapin—Director of Uniformed Units

Nile #19 Bar & Grill

Nile Mini-Bikes

I am back after my medical issues and excited about our future! We are rebuilding and have new riders who have enjoyed riding in the parades. We are still looking for new riders. Any Nobles interested please contact me at email address: bbunchiii@aol.com, or cell phone 206-919-5125, or home number 425-481-0159.

We have bikes available and would love for you to join us. The cost is $50.00 a year which includes dues and the bike. The more riders we have in the parades, the better we look. By the time you read this article, we will have one parade remaining, Granite Falls in October.

We look forward to seeing and talking to you. Take care and keep your wheels solid on the road.

Captain David Brady Sr., PP

Renton Shrine Club

The Renton Shrine Club will be meeting again at Plum Delicious on Thursday, November 2. No particular theme this evening, so Fez is appropriate. 6:00 pm Zem Zem and we’ll order dinner at 6:20 pm.

Have you paid your dues for 2018? Check the label on your RSC newsletter or reply when you get the online version. I’ll send your dues status. It’s still the same as we started—$5/year. Send checks made payable to Renton Shrine Club to PO Box 355, Kent WA 98035.

What a wonderful Oktoberfest (in September)! Dick and Margaret Gerber did a fantastic job, and even ordered up some great weather. Dick found his German items at Hans’ Sausage & Deli in Burien. And, of course, his cooking skill is unsurpassed. Well, at least among our club members.

We had great German bier, potato salad and brats. Thank you Dick & Margaret! Photos are available online. Please contact me for the link.
