I am delighted to share a timeless and profoundly thought-provoking story with you, one with the remarkable potential to redefine how we confront life's challenges and make our choices. This is the tale of "The Two Wolves Within."

According to the ancient legend, an elder Cherokee storyteller imparted this timeless wisdom to his inquisitive grandson: "Deep within each of us resides an ongoing battle between two wolves. The first embodies the negative qualities of anger, envy, greed, and arrogance. The other embodies the positive traits of joy, love, humility, and empathy. These two wolves engage in an eternal struggle for our attention, and the outcome of this internal battle wields a profound influence over the course of our lives."

In response, the naturally curious grandson posed a simple yet profound question to his grandfather, "Which wolf prevails?"

The Cherokee storyteller’s reply was equally plain-spoken yet wise: "The one you feed."

This ancient parable imparts a timeless lesson that wields the power to shape our thoughts, actions, and, ultimately, our destinies.

Choosing the Wolf We Feed
"May all of our conversations encourage one another." In the tapestry of our daily lives, we often encounter situations that challenge us, presenting us with the pivotal choice of which "wolf" to nurture. Will we succumb to anger, resentment, or negativity when life takes a challenging turn? Alternatively, will we cultivate kindness, compassion, and empathy when adversity arises? It also extends to more subtle choices, such as the people we associate with, how we conduct our lives, and the impact we strive to make.

For many of us at the Nile, the principles of having fun and helping children form the backbone of our creed. As dedicated members, we have had the privilege of supporting the well-being of Washington’s patients providing regular lodging, food and transportation to and from our hospitals. Additionally, we have extended our benevolence to numerous international patients this past year by facilitating their emergency travel requirements.

The underlying message of this parable underscores our profound capacity to mold our characters and influence our well-being through our choices. The wolf we choose to nourish thrives while the other weakens. Furthermore, our options can potentially effect positive change in those around us.

Empowering Ourselves through Choice
Assimilating the wisdom of "The Two Wolves Within" imparts us the profound empowerment to seize control of our thoughts and actions. Rather than capitulating to negativity, we can consciously opt for positivity. We can respond to life’s challenges with grace, compassion, and resilience, nurturing the superior wolf within us.

Inspiring Others through Example
Our choices extend beyond their influence on our lives; they inspire those around us. When we elect to feed the wolf of positivity, we shine as beacons of hope and encouragement for others. Our actions serve as catalysts, motivating those within our circles to make more positive choices, thereby engendering a ripple effect of goodwill.

At the juncture of this article, my second term as Potentate is drawing to a close. It has been a remarkable journey as we successfully wrap-up the Haunted House and, under the able leadership of Robyn in our front office, organized two immensely successful bazaars. I hold in deep regard the camaraderie of those I’ve had the privilege of working alongside, and I am genuinely gratified by the strides we’ve made in the financial resurgence of the Nile, as well as our collective commitment to enhancing the lives of our members and the children we passionately support.

This enduring parable propels us to recognize that personal growth is an ongoing odyssey. We can consistently strive to nurture the wolf that embodies our most sterling attributes. By doing so, we evolve into enhanced versions of ourselves and make affirmative contributions to the world.

I warmly encourage you to reflect on "The Two Wolves Within" and the choices that shape your life. Remember that, in each moment, you retain the (Continued on page 6)

Nobles, Ladies, and Friends,

It is the middle of October as I am writing this article. We are definitely in the seasonal transition with our weather and at the Nile, getting ready for the year end fraternal events and requirements. For the golf course grounds, we are transitioning too to shorter daylight, wetter conditions, and all that goes along with the season. The greens were aerated just a couple weeks ago and you can’t tell it was done. At my house, the grass is actually growing and green! For course play, our business is driven by the weather so we are seeing less play unless the sun comes out and it is dry. Traditional trends of the business. Just think back about how dry and warm it was this summer. It was really great for my tan and good for the business.

This has been a busy, busy year for us. For me specifically, a lot of demands and pressures that came with it all. I’m not looking for sympathy or empathy because it is all part of the job. A job I embrace and it’s what I knew I signed up for when I was elected.

Just a few things worth mentioning about 2023 items so far:

We hired a replacement Golf Course Superintendent, Reed Perry. He was working at Lynnwood municipal before coming here. He is a tremendous asset to our golf business and a partner with our Pro Shop PGA Pro, Joe Korn. Together, the play this year is record setting and we expect next year to be even better.

We had our streetside sign replaced after months of working with the city and the sign company and the installation company. We are still learning the abilities of it but the images are so much better than the one we had. Newer technology, right?! We have leased a golf cart fleet of 55 carts. They were delivered in the late spring and add to what we have to offer our golf customers.

We have partnered with a new caterer, Navi’s Catering Kitchen. They have been able to take over the operations of events and catering and have a staff to promote the Nile as a north end event destination. They achieved winning the 2nd place in the Seattle Times “Best of” competition. They are a great addition for us and we look forward to strengthening that part of our business. All of the things they have been going through with the Nile is new. What I mean by that is, what they have experienced is the first time. With our clubs and units, legacy contracts, new contracts, the golf course, 19th Hole Restaurant, the change of seasons, and the Haunted House. Navi’s Catering Kitchen is actually part of the midway vendors we have there. It’s worth keeping in mind for Navi that it is all the first time and they should be given thanks and grace for being here.

We had a fire in the southeast corner of the building which fortunately, no one was injured. The quick action of a handful of nobles saved the amount of damage that occurred to the building. The insurance process has been cumbersome and frustrating along with slow. We are just now getting started with restoration planning and securing resources. Clearly, this will be on-going for a considerable amount of time with restoration of our apartment space including the roof.

Our elevator modernization project has finished. Notice I didn’t use the word completed. There are still straggling items that are being fixed and addressed and maybe, I can use the word completed before Thanksgiving!

I won’t go into other projects going on. I will say that the age of our facility infrastructure is getting more and more dominated by the work that is needed here.

It’s that time of the year to reflect on what has been done so far. I am glad to be here as your Recorder. I have worked with many of you and enjoyed our time together in social situations and even working together. Bottom line, I love this place and some of you have heard that from me already.

Take care. Give thanks and love to those you are with. Until I see you my friends, be safe.

Message from the Assistant Rabban

October was a busy month. The Haunt started out the last weekend of September and was held every Friday, Saturday and Sunday until Halloween. The first Saturday in October was also the last Parade of the season that was held in Granite Falls. We all met for breakfast at the Damascus Lodge before the parade and all enjoyed the fellowship with one another. I would like to thank all the nobles that participated in the parades this year. It was time well spent promoting Shriners and the Nile Shrine Center.

November and the rain is upon us. As we get ready for Thanksgiving think about what we all have to be thankful for. Bonnie and I will be celebrating our 50th wedding anniversary on November 4th. We will be celebrating with family on a Mexican Cruise over the Thanksgiving break. I’m thankful for having a great family and a wonderful wife that has been with me for 50 years.

December will be coming in with a bang. This will be an important month for the Nile. Mark your calendars for the Children’s Christmas Party on the 10th of December. Be sure to invite the kids in your neighborhood and help make their Christmas memorable. Clubs and units need to get the word out early for their events.

December is also an important month for the leadership of the temple. This year we will have two positions to fill. The current Oriental Guide resigned which opens up the High Priest and Prophet position. The Oriental Guide position is also open for selection. The leadership of the Nile can only be as strong as the people that you, the nobility vote for and select. Remember you are choosing a future Potentate. Find out who they are and where they want to take the Nile Shrine Center in the next 5 years. Then as nobles, give them your support. December 13th will be the stated meeting. VOTE and have a say who your leaders will be.

I want to wish you all a very Merry Christmas and a great New Year. Let’s all make 2024 a year to remember.

Yours in the faith,
Dave Mercer

Message from the High Priest & Prophet

At the time of this writing, we are knee deep in Haunt season. It is well past my bedtime but I am sitting at my dinner table after working a shift at the Haunt eating a grilled cheese sandwich feeling whooped from the two jobs that I work, teaching and being a Shriner, but my heart is full of gratitude! I am so thankful for all of those nobles and their ladies who are able to make this fundraiser a success! I am also very grateful to those people who are not members of Nile who are integral parts of making the Haunt work! From the actors to the design crew to the operations staff and security and even those guys who park the cars; they are my heroes tonight! Thank you!! Thank you!!

As Masons, we are taught to work within the length of our own cabletow. It is easy to criticize those who we don’t see volunteering at our fundraisers. I encourage you to take a step back and not judge our brothers for any perceived lack of involvement. Our brothers have stories that we might not know. Did you know that one of our nobles has been bravely fighting prostate cancer for over two years and due to his treatment his energy levels are not what they once were. Another brother is a new grandfather. And still yet another brother has been gradually losing his ability to see. Each noble has his own story. I do not doubt the commitment of any of my brothers and I encourage you to do the same. We all work within the length of our own cabletow and we provide the time that we can. Some nobles are able to work around the hits that life gives us all. Some are not, and that’s okay. Those brothers don’t need one more gut punch than to find their fellow nobles questioning their commitment to our fraternity. I encourage you to not assume that a brother simply “doesn’t care”.

If you are able to volunteer at our fundraisers, please do. Jump right in! You don’t need to be an expert. Nobody has this volunteering job down pat. We are all learning how best to support our fraternity and our philanthropy. The request for help won’t come on an engraved invitation and any request put out there is for all nobles; seasoned nobles and ones that are still trying to put their feet on straight! After all, the times we come together to work at the Easter Egg Hunt or the Beef Booth or the Haunted House are also times of camaraderie, friendship, and fun. Isn’t that part of why we all became Shriners?

As many of you know, one of the symbols of our fraternity is the Silent Messenger or “Editorial without Words”. Many of our medical centers and fellow temples have statues in front of their buildings, including the headquarters of Shriners International, to memorialize this symbol. We at Nile are working hard to get one of these monuments for us!

Nile is selling paver bricks that will work to offset the cost of this project. The bricks are customizable and can be used to recognize friends, family, or the fraternity in a manner that will stand the test of time. These custom paver bricks will be displayed around our monument. The placement of our monument is so that it will be in a prominent location for our donors to see. The goal is to sell at least 200 bricks but the project is designed in a way to allow for more bricks to be displayed if we surpass that goal. Each custom brick will be available for $150. Souvenir bricks and certificates are also available at an additional cost. Bricks can be purchased at the following website: https://www.bricksrus.com/donorsite/nileshriners

Let’s work together to bring this important symbol of our fraternity and our philanthropy to Nile!
Election Bylaws Notice

Nobles,

December 13th Closed Stated Meeting is our elections meeting. If you are interested in running for the Divan, please send me a letter stating so. The letter is a notice of your intent to run.

As required by Shriners International bylaws on elections, I am required to share this with you.

§ 325.11 Election Regulations.

(a) Electioneering. A candidate for an elected office in a Shrine temple may print, publish and circulate during the year he is seeking the elected office, a résumé consisting of his educational background, his vocational history, and his Masonic and Shrine record. Except as provided in the prior sentence, the printing, publication, circulating or distribution of resolutions, letters, telegrams, tickets, email or other devices, by a unit, club, Noble, or group of Nobles, suggesting, recommending, opposing, or containing the names of proposed candidates for office in the temple is prohibited.

(b) Expenditures Prohibited. The expenditure of money for gifts, favors, or entertainment on behalf of a candidate for elected office is prohibited.

(c) Violation. For any violation of (a) or (b), the Imperial Potentate may suspend any offending Noble, and he may declare the election of the officers void and order a new election.

(d) Notice. At least one week prior to the annual meeting or any election, the temple Recorder shall mail to each member a notice thereof containing this section.

Oriental Band Crab Feed

Saturday, February 10, 2024

Book the date for some delicious crab and fixings. The cost will be $45.00 per ticket this year. That's a little higher than last year, but as with everything else prices rise.

We will be giving more information as it becomes available.

For tickets call: John Stimac at 206-412-2039 or email at johnstimac3@comcast.net

We would like to thank all the people that helped with the 2023 Haunted House. It was a great success, and we owe it to your hard work and commitment. We had a very courteous and professional staff that provided a great service to the public. This was a great opportunity to show what Shriners can do when they work together!

News from Hatasu Temple No. 1 Daughters of the Nile

As the Fall season settles in, we enter the beautiful months of October and November where the leaves change colors and the air becomes crisp. We have exciting events happening in the upcoming months.

First and foremost, we are thrilled to say thank you to Nile Shrine Director’s Staff for the opportunity to operate the concession booth at the Haunt. We look forward to next year’s Haunt.

**Holiday Evergreen Fundraiser!** As the Halloween season ends, we are already gearing up for the festive cheer of the holiday season. Our Holiday Evergreen Fundraiser will kick off in late October and continue through November 10. Get ready to deck the halls with beautiful wreaths, garland, and centerpieces. By participating in this fundraiser, you not only bring joy to your own home but also support Hatasu Temple and the Daughters of the Nile Foundation. You can contribute to this merry cause by visiting our website at [www.hatasufundraiser.com](http://www.hatasufundraiser.com).

**Supreme Queens Visit and Ceremonial!** Our Supreme Queen Patty Larimore graced us with her presence on October 26. We hosted a special Ceremonial and Banquet where we initiated five new members. Welcome and congratulations to these new members.

At our November 13th Session, we have the pleasure to honor our founders and celebrate our 50-year members. In 1913, Mabel Krows invited 11 of her friends to meet at her home in West Seattle, Washington to organize Daughters of the Nile. Mabel’s 11 friends enthusiastically supported her in her desire to create an organization that promoted high ideals for women, served the community, and provided social context for lasting friendships. They were intelligent, modern, forward-thinking women who possessed profound organizational skills. They accomplished within months the foundation of the organization, which functions today on their original guidelines, ideas, and principles. Hatasu Temple No. 1 is the original Temple. These ladies also realized that in order to succeed at anything, they must have a purpose. We proudly support Shriners Children. Our founders have left a beautiful legacy.

We hope you’re as excited as we are for the thrilling events lined up this fall as we continue to make this season one to remember.

As we gather with family and friends to celebrate Thanksgiving, we want to extend our warmest wishes to you and your families. May your Thanksgiving be filled with love, laughter, and cherished moments.

HAPPY Holidays

From the Nile Divan and Staff
News from Ahmes Court #41 LOSNA

It’s fall and parades are almost over. We just finished the Granite Falls parade and the group had a great time. Granite Falls Masons treated everyone to pancake breakfast so we had energy to walk the parade.

The Nile Nightmare has begun and LOSNA is proud to serve dinner to the workers every Friday night and many of us volunteered to work the Haunt. Don’t forget the Children’s Haunt is October 21 from 11-3PM, kids are $10 and adults are free. The Clowns will have games, photo’s and balloons. There will be candy handed out at each house. Bring your children and let all your friends and family know.

November 5th, we are having a BUNCO party, cost is only $10. Location is Wondering Creek Club House, 24003 8th PL W, Bothell. Call or email Lady Stephanie Almeida – 425-435-4389 or Almeida.step@gmail.com. Open to everyone.

We are having a Butter Braid fund raising event. If you want to order prior to the holidays you can just go to the link below. We will have the delivery on November 8th at Shoreline Scottish Rite.

Nile Men’s Golf Club

What a year for Shriner golf! Happenings around the course and clubhouse have evolved a bit....

We have a new Golf Course Superintendent and the grounds are looking very good. We have a new website for our group nilemensgolfclub.com. Turns out to be very handy for up-to-date info about club activities and sign-up for our annual tournament, Nile Shrine Classic that happens in July.

The Club Champion this year is Jim Watson. Congratulations Jim!

I couldn’t miss the opportunity to say “THANK YOU” Charlie Song and his wife for the wonderful meal they prepared for us at the September meeting. It’s always well received and we really, really appreciate their effort.

Things on the patio are about the same, just got some new umbrellas and now Mother Nature is nudging us back around the fire pit.

For those of you that are Shriners, our monthly Men’s Golf Club meetings are the last Wednesday of the month, March – September at 5:30.

We are currently “Dark” until March of 2024, which means no meetings, but you can still come out, play, or just stop by the clubhouse for a visit.

Membership is open to all Shriners in good standing.

Wishing all of you a Happy Holiday Season!

Hope to see you all out there.
